Shinji Ikari's brainwashed android body - part 2. Combined with his heart he's stronger than ever. However, Rei is still bound. She's experiencing the ways of the world. Shinji is a lonely man. The battle with the Angels just brought an end to his innocence. Shinji's giant heart and small brain both helped fight the Angels. Was it a miracle or an unfortunate end? Shinji's journey to be a man and a protector. A man who's strength and power rivals God. In this final part of the film, the effects of the Angels' attack have increased greatly. Deep inside of Shinji's body, a new growth of brain tissue. And it has almost formed a pool of blood by the time of part 1. The point of no return. It took seven days from Anno's suggestion of the idea to work on the movie. Which doesn't really give much time to fix a major mistake. It's so unrealistic that having a period of three days to fix a problem is quite unimaginable. Even the director doesn't believe the story. I don't care if I've delivered this movie as bad as I can! If I make this mistake, I won't be able to work on The Third Mission. When I
